In the Matter of the Application of Johnson
Utilities L.L.C. dba Johnson Utilities
Company for an Extension of Its Existing
Certificate of Convenience and Necessity
for Water and Wastewater Service

Docket No. WS-02987A-04-0288

**PULTE HOME
CORPORATION'S JOINDER IN
JOHNSON UTILITIES L.L.C.'S
MOTION TO EXPEDITE**

Pulte Home Corporation ("Pulte"), an Intervenor in the above-captioned matter,
through its undersigned counsel, hereby joins in Johnson Utilities' June 13, 2005,
Motion to Expedite.

In support of this Motion, Pulte states as follows:

1. On April 19, 2005, Administrative Law Judge Nodes presided at a hearing
in which it was apparent that Johnson Utilities had met the requirements for expansion
of its Certificate of Convenience and Necessity, except that Staff believed its existing
well capacity was insufficient to meet its immediate growth demands. It also was
apparent that Johnson Utilities could achieve sufficient capacity and would be entitled
to a CC&N extension if Johnson Utilities added the Morning Sun Farm Well to its
system.

2. On June 2, 2005, Administrative Law Judge Nodes issued a Procedural
Order extending the record by 90 days to permit Johnson Utilities to file the Arizona
Department of Environmental Quality ("ADEQ") Approval to Construct the Morning
Sun Farms Well.

3. On June 9, 2005, Johnson Utilities filed the ADEQ Approval to Construct the Morning Sun Farms Well which was approved for construction on June 3, 2005.

4. On June 27, 2005, Staff filed a Response to the Procedural Order, stating that the addition of the Morning Sun Farm Well capacity to Johnson Utilities' system still was "not enough additional capacity for the Company to meet its immediate growth demands."

5. Pulte understands that Staff, following its June 27, 2005 Response, has now agreed the Morning Sun Farms Well adds sufficient capacity to the system.

For these reasons, Pulte hereby respectfully requests the Administrative Law Judge issue a Procedural Order limiting the extension of time to 15 days from the June 2, 2005, Procedural Order.

RESPECTFULLY REQUESTED this 5th day of July 2005.
